About Forestar Group

Forestar Group Inc. operates in three business segments: real estate, oil and gas and other natural resources. At the end of second quarter 2014, the real estate segment owns directly or through ventures almost 121,000 acres of real estate located in ten states and 13 markets in the U.S. The real estate segment has 11 real estate projects representing approximately 24,400 acres currently in the entitlement process, and 73 entitled, developed and under development projects in eight states and 13 markets encompassing over 11,500 acres, comprised of almost 18,100 planned residential lots and approximately 2,000 commercial acres. The oil and gas segment includes approximately 935,000 net acres of oil and gas mineral interests, with approximately 590,000 acres of fee ownership located principally in Texas, Louisiana, Alabama, and Georgia and approximately 345,000 net acres of leasehold interests principally located in Nebraska, Kansas, Oklahoma, North Dakota and Texas. These leasehold interests include about 8,000 net mineral acres in the core of the prolific Bakken and Three Forks formations. The other natural resources segment includes sale of wood fiber and management of our recreational leases, and approximately 1.5 million acres of groundwater resources, including a 45% nonparticipating royalty interest in groundwater produced or withdrawn for commercial purposes from approximately 1.4 million acres in Texas, Louisiana, Georgia and Alabama and about 20,000 acres of groundwater leases in central Texas.
